

Service and repair work will be billed at a rate of \$45/hour per technician plus \$.65/Mile portal to portal. Service and repair work can be scheduled anytime during the week day or night and on weekends.

Parts

Any parts needed that their total exceeds \$50 will be quoted and approved prior to ordering or installation.

Rentals

Any rentals needed to have the system operational while the system is being repaired will be quoted and approved prior to rental. This can include but is not limited to, projectors, computers, processing, lighting fixtures,

Typical Estimated Rental Rates

Projectors <3500 lumens	\$150/day
Ellipsoidal fixtures:	\$25/day
Wireless Mics	\$50/day
Powered Speakers	\$50/day

Operational

All attempts will be made to have your system(s) up and running by the next time it is needed. If it is something beyond BCS control, communication will be made as to how this will affect your system(s) and train on any temporary repairs.

GUARANTEE: No duct tape, improper wire splices or wrong cable types will ever be used on your system. If I would not use it on my gear, I will not use it on yours.

Call or email me today to get an appointment scheduled.
